Massachusetts Flood Disaster Recovery

A series of storms that began on March 5, 2001 brought flooding and damage to several areas in Massachusetts, prompting the state to seek federal assistance. President George W. Bush responded by issuing a disaster declaration for several counties affected by the storms.

"FEMA is committed to working hand-in-hand with state and local officials to speed help to the victims

of the recent storms," said FEMA Director Joe M. Allbaugh. "Our aim is to do all we can to help rebuild lives and communities that have suffered from the damage these storms have caused."

The disaster declaration enables FEMA and other federal agencies to team up with state and local disaster workers to help victims begin the long journey to recovery.

Picture submissions of our readers wandering with The Wanderer continue to come in ... and we'll make every effort to publish each and every photo as space allows. We'd like to thank the Mattapoisett Touring Club for taking us along with them to Italy.

Above: The Mattapoisett Lions Club sponsored their annual Senior Dinner on Saturday, April 21 at the Mattapoisett Congregational Church. About 131 seniors attended this year's event, and 13 shut-ins also had their meals delivered to them at home, with gracious assistance from the members of the Mattapoisett Boy Scout Troop. Entertainment was provided by Billy Couto and Rick LeBlanc, and raffle prizes were awarded. Every senior in attendance also received a flower. The co-chairs for this year's successful event were Selectmen Paul Lambalot and Barry Denham.

On the cover: Memorial School students Aaron Benner (as Petruchio) and Nia Britto (as Katherina) will be featured in the Rochester school's production of William Shakespeare's The Taming of the Shrew, which will be performed on Friday, May 4 at 7:00 pm in the school cafeteria. Tickets are \$6 and can be purchased at the door. The show is directed by Danni Kleiman and is one of a long line of The Bard's plays which have been staged annually at the school throughout the past decade. (Photo by Kenneth J. Souza).

"We want to help people recover as quickly as possible," Governor Jane Swift said. "The federal/state partnership enables us to offer a wide range of disaster assistance."

Government disaster aid covers basic needs, but will not normally compensate disaster victims for their entire loss. Direct disaster aid does not have to be repaid, and other help may be in the form of low-interest loans. The types of assistance available will be explained when you call for assistance.

Both the Massachusetts Emergency Management Agency (MEMA) and Federal Emergency Management Agency (FEMA) are offering Disaster Assistance for communities in Bristol, Essex, Middlesex, Norfolk, Plymouth, Suffolk and Worcester counties. You can apply by telephone toll-free at 1-800-462-9029 (TTY 1-800-462-7585). Assistance includes emergency services, low-interest loans, housing assistance, grants, and tax assistance.

Disaster recovery is available without regard to race, creed, color, age, sex, religion, national origin, handicap or economic status. Persons believing they have been discriminated against should contact the Federal Coordinating Officer or the State Coordinating Officer.

Mattapoisett Selectmen's Meeting

April 30, 2001

By Rebecca Fortin

A regular meeting of the Mattapoisett Board of Selectmen was called to order by Chairman Paul Lambalot on Monday, April 30 at 7:00 pm. Also in attendance were Selectman Ray Andrews, Selectman Barry Denham and Secretary Melody Pacheco.

After unanimously approving the minutes of the April 19 and April 23 meetings, the board met with three members of the newly-appointed Town Clerk Search Committee. Town Clerk Lois Ennis, Town Moderator Bill Blasdale, and Noreen Lyonnaise were present and spoke on behalf of members Judith Mooney and Paul Millot, who were unable to attend. The committee has been formed to allow them to screen applicants for the position

for appropriate qualifications. To date, however, there have only been two applications received, which Chairman Lambalot noted as a disappointment.

The board had anticipated and expected that there would be more applicants, and reminded anyone who is interested in the position that the deadline is this Wednesday, May 2 at 3:00 pm. Citing the possibilities for the rather small response thus far, Chairman Lambalot wondered if candidates were not interested in the temporary position, and were just planning to run for election of the position. The board and the committee agreed if this is the case, then applying for the position, and ultimately obtaining the job on a temporary basis would provide a significant advantage for anyone

running for election.

Selectman Andrews also noted that it is helpful for residents to know that a committee plays an integral part in the selection of the candidate, and that it simply isn't the Selectmen choosing the candidate. "The Town Clerk isn't here to serve the Selectmen," Chairman Lambalot added. "The Town Clerk is here to serve the townspeople."

The board made several appointments, including:

- Appointment of O. Robert Price to the Bike Path Committee.

- Appointments of Paul D. Andrews, Michael Picwick and Donna Wunschel as Civilian EMTs for the Mattapoisett Police EMT Ambulance Service. Ms. Wunschel will also serve as Police Matron.

Selectman Andrews read a proclamation naming the week of May 20 - 26, 2001 as "National Safe Boating Week." In it, he reminded people of the importance of life jackets, noting that 88 percent of drowning deaths are those who were not wearing their life jackets.

The board next met with Town Clerk Lois Ennis who was present to discuss redistricting in Mattapoisett. She explained that since there are over 6,200 residents in town, by law, they must redistrict into two precincts. Therefore, there have been several configurations considered regarding exactly where and how it would take place. It was important to the town that the two districts did not abut neighboring towns, so that the town of Mattapoisett could not be separated into two

congressional districts, giving the town, among other things, two different representatives. Ms. Ennis expects that there should not be a problem with the way in which the redistricting has been planned.

She added that since there will be two precincts, there must be two voting machines. Therefore, one must be purchased at some point, and the \$6,000 machine has already been placed into the budget.

In a separate issue, Ms. Ennis notified the board that representatives from the Federal Emergency Management Agency (FEMA) had recently informed her that disaster assistance for people in Plymouth County was now available for those who are uninsured or under-insured. Applications for assistance can be obtained via telephone by calling 1-800-462-9029. Information will also appear on the town website (www.mattapoiset.net).

Incoming correspondence for the week included the following:

- Notice was received of a Groundbreaking Celebration at the Old Rochester Regional School Grounds on Friday, May 11 at 8:30 am.
- Memo from Building Inspector Andrew Bobola asking to fill the position of ADA Coordinator upon the retirement of Town Clerk Lois Ennis.
- Received a carbon copy of a letter addressed to the Conservation Commission from residents Mr. and Ms. Joseph Corazzini concerning a water problem in their backyard.
- Received a copy of a letter addressed to the Board of Health from the Water and Sewer Commission responding to the request of the Board of Health on recently-passed regulations regarding testing of the bathing beaches on Water Street.
- Letter from the Marine Advisory Board requesting the board to make a public statement on the

current status of the state ramp. Selectman Denham explained that there is a new pump there in an effort to keep the water levels down so that the wall can be built. He offered a "heads up" to residents that the new 10-inch pump will be loud. Also, a sign is in the works to remind people that the rap is for the use of town residents only and that will be enforced.

- Notification was received that the Joint Transportation Planning Group (JTPG) will meet on Wednesday, May 9 at the SRPEDD office in Taunton.

- A letter was received from Mattapoissett Cub Scouts Den 1, thanking Selectman Denham for having an interview with them in pursuance of their Community Service Badges.

Lastly, on the agenda, the board met with Steve Kelleher and the four-person Bike Path Committee for an update on the progress of the bike path project. Mr. Kelleher provided the board with detailed plans for Phase I of the path, which will begin on Shaw Road to Mattapoissett Neck Road. The plans have been submitted to the state for a 25 percent review, and to "tweak the

plan." Mr. Kelleher anticipates that things will go smoothly: "I expect the permitting will be quick," he said, adding that the permits for Phase I will be in place by this summer and ready for construction in the spring of 2002.

There will be an article on the Town Meeting warrant for land acquisition, which will appear as an article for a Proposition 2 1/2 override. Initially, the committee thought that land acquisition would not be necessary until Phase II of the project, but upon further review, it was clear that more imminent domain will need to be taken. All of the abutters have been notified, and there have not been any complaints, thus far, according to Mr. Kelleher.

In these letters, it was explained to the abutters that they had an option of accepting money for the land or offering it as a charitable donation, and therefore using it as a tax deduction. The committee has nearly \$1 million in grant money, but needs to secure 10 percent of that from taxpayers. There will be a warrant article on Town Meeting for such monies.

Mr. Kelleher put the cost to taxpayers in perspective: for a home valued at \$100,000 there would be a one-time tax of \$6; for a home valued at \$200,000 there would be a one-time assessment of \$12; and for a home valued at \$300,000 there would be a one-time tax of \$18.

Chairman Lambalot believes that once Phase I is completed, a significant amount of interest will be generated.

In closing, Mr. Kelleher reminded residents of the entire bike path project which consists of four phases. Phase II will be from Depot Street to the Park and Ride on North Street which will be constructed in the Spring of 2003; Phase III will be from Mattapoisett Neck Road to Depot Street and will be constructed in 2004; and Phase IV will be from North Street to Industrial Drive on the Marion town line, and will be constructed in 2005.

Selectman Andrews also reminded residents that it is Phase III that includes the YMCA property and that the town remains in an "open dialogue" with them.

Without any further items to come before the board, they unanimously voted to adjourn for the evening at 7:55 pm.

Marion Selectmen's Meeting

May 1, 2001

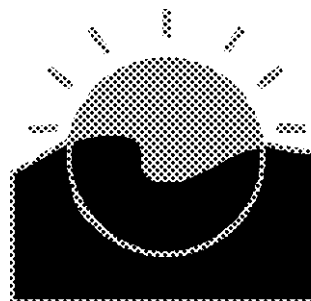

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, May 1 at 7:00 pm by Chairman Albert Winters. Also present were Selectman Jonathan "Jody" Dickerson, newly-elected Selectman Benjamin Bryant, Town Administrator Julia Enroth-Whitlock, and Secretary Helene Craver.

Mr. Winters first took the opportunity to welcome Mr. Bryant as a member of the Board of Selectmen, after being elected in last Friday's Annual Town Election. He added that even though former Selectman Loretta Schaefer's shoes would be difficult to fill, "based on everything we've seen, we have no doubt that you'll be able to step in," he said.

Mr. Winters also thanked Ms. Enroth-Whitlock and Ms. Craver for all their hard work in preparing for last week's Annual Town Meeting, which went very smoothly. "Hopefully (all Town Meetings) will go like that," he said. "I think we can look next year to do everything in one night."

With that, Mr. Winters advised they needed to

article be placed on an upcoming Town Meeting warrant
to petition the legislation so that Associate Members of
the ConCom may have voting privileges when a quorum
of regular members is not present. Ms. Enroth-Whitlock
noted that this move requires both Town Meeting and
legislative approval and would extend voting privileges
to Associate ConCom members only as needed — they
would not be able to vote when a full quorum of regular
members was present.

- Notice from Marion Emergency Medical

Director of the Marion EMS.

- Memo from Helene Craver advising that
Wendy Bidstrup of the Marion Art Center volunteered to
assist with next year's 150th birthday celebration for the
Town of Marion, perhaps staging a play as part of the
observance. Selectman Winters added that the VFW Post
is also interested in getting involved. Ms. Enroth-Whitlock

Susan-elizabeth
1943-2001

Dear Friends,

The estate of Susan-elizabeth wishes to thank Sam, Raymond and Polly of Pryce's Greenhouses for their love and support over the last four weeks since the death of Susan-elizabeth.

The greenhouses at Susan's are now closed. I am pleased to announce that the estate plants will be available at Staffon Florist and Greenhouse on Alden Road in Fairhaven. Susan and Gary Staffon welcome Susan-elizabeth's friends and customers at their location in the upcoming seasons.

Pryce's Greenhouses at 21 Marion Road are now open every day between 10:00am and 5:00pm for Memorial Day flowers, offering: impatiens, marigolds, petunias, geraniums, dusty miller, begonias, scaevola and dipladenias.

A memorial service for Susan-elizabeth will be held in May. Arrangements will be by her daughter Suzzane and son Michael.

I will miss my friend. I loved the person that she was and I share this loss with all of you who knew her.

to participate and the board will be appointing a committee to oversee the milestone celebration.

- Letter from Police Chief Lincoln Miller calling attention to the heroic actions of Marion resident Robert T. Duncan III who came to a person's aid in Wing's Cove off Piney Point on April 23. A person shellfishing in these waters nearly drowned when his chest-high waders began to fill with water and Mr. Duncan jumped into the water and pulled the man to shore where public safety personnel had arrived. Chief Miller felt he needed to be publicly honored for saving the man's life. The board agreed to invite Mr. Duncan to attend a future meeting and present him with a commendation for his heroic actions.

- Request from Headmaster Jay Stroud of Tabor Academy to close off Front Street between Ryder and Cottage on Saturday, June 2 from 1:30 to 3:15 pm during the school's Commencement Exercises. The Police Department has also been notified and will be providing officers to handle traffic concerns. The board unanimously approved the request.

- A similar request was received from Fair Committee Chairman David K. Pierce of Marion's First Congregational Church to close off traffic on Main Street from School Street to the intersection of Main and Front on Saturday, July 28 from 10:00 am to 2:00 pm during the annual fair. The board unanimously approved the request.

- Heidi Nye of Rebecca Drive submitted a request to plant flowers and/or small bushes at the entrance to Rebecca Drive (a private road). A portion of this property

is town-owned, according to Ms. Nye ... but Ms. Enroth-Whitlock noted that the town only owns one side of the entrance way — the side where the Fire Station is located. The board recommended Ms. Nye also contact the Tree Planting Committee and Fire Chief before planting anything in that location.

- Request from Warren Briggs of Holmes Street to have the street sign at the corner of Holmes and Front Streets replaced. According to Mr. Briggs, the sign was broken off some eight months ago, and he has made four attempts to contact the Department of Public Works (DPW) to have it replaced. According to the DPW, the sign was replaced about four weeks ago but has again been stolen. Yet another replacement sign has been painted and will be installed shortly.

- Letter from David C. Shanks of Lewis Street expressing interest in serving on the town's Personnel Advisory Board, which was discussed at last week's Town Meeting. Selectman Winters said the board will be appointing members to this newly-established board within the next couple of weeks. "We're trying to work out the make-up of the board with the Finance

• Notice from the Executive Office of Environmental Affairs that a meeting has been scheduled on Wednesday, May 16 at 12:30 pm in the Harbormaster's Office in Marion on the Bird Island Restoration Project.

• Notification from the Massachusetts Division of Marine Fisheries that Sippican Harbor has been re-opened to the taking of shellfish after being closed in the aftermath of the heavy rains on March 30, 2001.

Under the Town Administrator's report, Ms. Enroth-Whitlock informed the board that she reviewed the town's proposed Americans with Disabilities Act (ADA) policy with Town Counsel and he didn't have any problems with the draft as submitted. As such, the board unanimously voted to adopt the newly-drafted ADA Policy for the Town of Marion.

Ms. Enroth-Whitlock noted that the deadline to apply for the position of Music Hall Coordinator has passed and they have received 13 applications for the part-time position. Former Selectman and Music Hall coordinator Lori Schaefer has agreed to assist with the selection. The board concurred that Ms. Enroth-Whitlock and Ms. Schaefer should conduct interviews with the candidates and then make a final recommendation to them.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:03 pm.

Rochester Selectmen's Meeting

April 30, 2001

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, April 30 at 6:55 pm by Chairman Richard Cutler. Also present were Selectman Naida Parker, Selectman Patricia Ryan, Town Administrator James Huntoon, and Administrative Assistant Veronica Lafreniere.

Chairman Cutler first wished to note that Building Inspector Robert Francis successfully completed his heart-valve replacement surgery earlier that day and is now recovering and "doing well." He is expected to return to his duties at Town Hall in about three weeks.

After unanimously approving the minutes of the April 5 and April 23 meetings, the board heard Mr. Huntoon's weekly Town Administrator's report. Mr. Huntoon first informed the board that an official Groundbreaking Ceremony for the ORR Junior and Senior High School renovations project will be held on Friday, May 11 at 8:30 am (rain or shine) at the schools in Mattapoisett. Chairman Cutler said he plans to attend.

Mr. Huntoon said that representatives from the Federal Emergency Management Agency (FEMA) paid Town Hall a visit on Friday advising that FEMA is offering assistance to residents who incurred damage during the severe flooding earlier this month. The bid package for the Rochester Senior Center project has been sent out and sub-bids are due by May 15 with a deadline of May 24 for the general contractor bids. The Board of Health has recommended that CGK Corporation be awarded the contract for the mitigation project at the Rochester Landfill at a low bid of \$21,300. The board unanimously voted to award the contract upon the Board of Health's recommendation.

Mr. Huntoon asked the board to schedule a meeting with the Finance Committee (FinCom) to finalize the budget for the upcoming Annual Town Meeting. The board members agreed to meet with the FinCom on Wednesday night, May 2 and would continue their meeting to that time at the conclusion of tonight's agenda.

At 7:15 pm the board met with representatives of the American Red Cross to discuss a recommendation from Civil Defense Director Paul Ciaburri to transfer funds out of the Annie Maxim account for their recent assistance with the search for a missing Rochester man earlier this month. After a brief presentation on some of the many services offered to area communities by Red Cross members Robert Rebello and Alda Fredette, Mr. Huntoon told the board that Mr. Ciaburri could not be

present for the meeting but his wife was and she said her husband wanted to transfer \$500 out of the established account to the American Red Cross.

"(Mr. Ciaburri) has funds available which are earmarked for the American Red Cross," Mr. Huntoon said. With that, the board unanimously voted to transfer \$500 out of the Annie Maxim Fund as per Mr. Ciaburri's recommendation.

At 7:30 pm the board met with members of the Planning Board to first accept the resignation of Robert Cummings from the Planning Board and then consider appointing a replacement to fill the resulting vacancy. Mr. Cummings submitted a letter citing increased personal commitments as the reason for his resignation. The board unanimously voted to accept the resignation and agreed

to send Mr. Cummings a letter thanking him for his past service to the town. The members of the Planning Board then noted they had unanimously voted at their last meeting to recommend member Chris Byron to fill Mr. Cummings' seat.

Resident Tony Sol, however, questioned whether the open seat should be advertised as a courtesy to see if anyone else was interested in the position. The joint boards argued that since no one had come forward previously or made an attempt to run for a position on the Planning Board, and given that they needed to find a replacement as soon as possible, the recommended appointment of Mr. Byron made sense. With that, the boards unanimously voted to appoint Mr. Byron to fill Mr. Cummings' seat through the next election, with a term to expire in April of 2002.

At 7:40 pm the board met with Town Planner Randall Kunz to discuss his proposed changes to the town by-laws regarding "Common Driveways." Mr. Kunz explained that these recommendations were basically a refinement in the existing by-laws to better define so-called "common driveways" in Rochester. Many of these suggested amendments were merely a matter of clarifying the technical definitions and wording in the by-laws. In other cases, the changes were more substantial.

The amendments are being placed on the upcoming Annual Town Meeting warrant for June, but public hearings on the proposed changes will be held on May 22 prior to the Town Meeting for residents interested

in voicing their opinions on the refinements. "If anyone has any general comments or concerns, they should be addressed at a public hearing," Chairman Cutler said.

At 7:45 pm the board met with Maria Pauline and Park Commissioner Gary Laboa to discuss a proposed Skate Park to be located on a portion of the town-owned Dexter Lane property. Mr. Laboa explained that Ms. Pauline came before the Park Commission to inquire about the possibility of building a Skate Park at the Dexter Lane site. The Park Commission was "fully behind" the idea of a Skate Park, according to Mr. Laboa, however their main concern was funding for the facility.

"(Ms. Pauline) said her group intended to raise funds for the park," Mr. Laboa said. "I suggested they come before the Board of Selectmen with preliminary plans ... and told them that next year some town money might be put into the budget as part of the Dexter Lane development."

Ms. Pauline was present with several Rochester youth who are all interested in a Skate Park facility in town. In fact, Ms. Pauline collected some 200 signatures in

support of the project, which she presented to the Selectmen. She also offered preliminary plans for a modest 110 x 130-foot Skate Park facility that would cost a total of \$32,000 complete.

"Right now, the consensus is we need a way to get started," Ms. Pauline said. "We can always add to it later. We wanted to start with something small."

The board suggested that Ms. Pauline form a non-profit organization to solicit donations for the project and then proceed with getting the word out to town residents. Given the time needed to raise funding and prepare a solid design, it will likely take a year to bring the project to fruition.

In other matters, the board:

- Unanimously voted to authorize Town Administrator James Huntoon to use whatever means necessary to ascertain the procedure for accepting applicants to the Annie Maxim Home in Rochester. Resident Tony Sol had previously inquired about this matter and was present again that evening to follow-up on his initial request. It is Mr. Sol's understanding that Rochester residents were to be given first preference in admissions to the facility.

- Agreed to hold the annual Memorial Day celebration on Sunday, May 27.

- Received a letter from Laurene Gerrior of Walnut Plain Road expressing interest in becoming a member of the Open Space Committee.

- Unanimously voted to make the following

YOU CAN'T CHANGE LOCATION

The old saying that the three most important things about a piece of real estate are location, location and location may be a cliché, but like most clichés, it is true.

When one of our agents rushes into the office excited about a new listing just obtained, the first question is not "How much?" but "Where is it?" There is no single factor that affects the value of a home so much as location. It DOES matter where the house is located when you opt to sell or even borrow on your home.

If you can't afford what you want, WHERE you want it, sacrifice something inside the

house rather than sacrifice location. It's a poor trade off to sacrifice location to get some feature that could be added, like a fireplace or a garage. The one thing you can't improve in your property is the location. Better to take a house that needs a facelift in a good neighborhood than to take one that's all dolled up in a marginal location at the same price.

The more likely you are to be putting your house on the market in the near future, the more attention you should pay to location.

Animal Advice

Jay Gould, DVM

CANINE DIARRHEA

My dog has had diarrhea more than once a week for the past month. He eats dog chow and table scraps. Occasionally there is blood in the stool and he can't always control himself and messes indoors. What can I do?

The key to controlling illness is getting a correct diagnosis and then treating the problem appropriately. First, have your veterinarian examine a stool specimen to check for intestinal parasites. Stop feeding your dog table scraps. If no parasites are found and stopping the table scraps does not resolve the problem, try changing the diet. Eucanuba brand dog foods are often helpful in resolving intestinal upsets in dogs.

What if the problem continues?

If you have done the 3 steps described above and the dog still has diarrhea, it is time to have your veterinarian evaluate the dog and possibly perform additional tests in order to obtain a diagnosis. This is especially important if your dog lacks his normal energy level, is losing weight or has an uncharacteristically poor appetite.

Letters to the Editor

To the Editor:

Your editorial comments about the conduct of Selectman Ray Andrews at a recent (Mattapoisett Board of Selectmen) meeting were certainly revealing as to the character of Mr. Andrews.

Using a public meeting to glorify the candidacy of a fellow Selectman, Barry Denham, running for re-election is ethically wrong and against state statutes, as you pointed out. Thankfully, you were present — where was everyone else? — to report on this travesty. Has anyone contacted the State Ethics Commission about this matter? Voters should remember this if Mr. Andrews runs again.

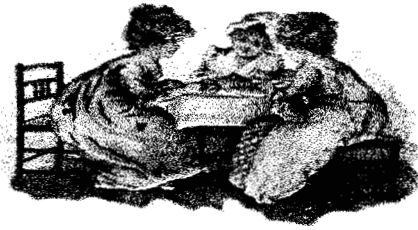

Keep up the good work.

Sincerely,
Michael Couture

ORR Survival Experience

Once again, many of the Old Rochester Regional Junior High School seventh graders are preparing for the annual voluntary Survival Experience which is the culmination of their seventh grade curriculum. This year the trip will begin on Sunday, June 10 and continue through Saturday, June 16. This will be the 29th happening of this well-known experience. It is estimated that over the previous 29 years there have been approximately 2,900 "survivors" who have completed the week-long outdoor experience. Many have returned through their high school and college years as chaperones. It has truly become a community-supported program in the tri-town area.

In continuing that support, as you begin your spring cleaning and come upon a long unused backpack, tent (in decent condition), or any other unwanted camping gear, the Survivors would greatly appreciate donations of any kind. These donations help ensure that

all of the young people who wish to participate in the program will have the means to do so. Additional support for the program is being provided through a student dance and t-shirt sale. Should benefactors wish to contribute money to the program, they are welcome to do so. In either case, simply drop off the donations at the front desk of the school or call Rory McFee, Anne Silva, or Judy DeMaily at Old Rochester Regional Junior High School (508-758-4928).

Information regarding the 2001 Survival Expedition will be presented at a mandatory Parents' Information Night at the Junior High on Monday, May 15, 2001 from 7:00 to 8:30 pm. Friends of the program are also invited to see the newly-updated slide show presentation. Babysitting will be available for younger children of seventh grade parents (no seventh graders, please).

The Wanderer Keel Award

The Wanderer is once again soliciting nominations for their eighth annual "Wanderer Keel Awards." The yearly honor — which is presented to one resident from each of the three central towns in our circulation area — will be announced in our May 25, 2001 issue and each winner will be the subject of a short feature highlighting their contributions to the local community. But *The Wanderer* needs your help in selecting these "unsung heroes."

legal residents of Mattapoisett, Marion, or Rochester (at least five years), and must have contributed in some way to the overall benefit of the community — either directly to town residents, or indirectly through efforts in promoting town activities, or working to keep the wheels of local government well-oiled. The only restriction is that these persons *cannot benefit from their efforts in any other way* — either financially or politically (hence, sitting elected officials are not eligible).

In doing this, we hope to applaud those who are rarely recognized for their countless hours of service and focus on the many people "behind the scenes" who remain otherwise anonymous but provide crucial support to many town functions. Like the keel of a ship which keeps the vessel from capsizing, the recipients of the Annual Wanderer Keel Award will be recognized for their stalwart efforts in keeping the community on an "even keel."

Past recipients of this honor have been:

Development Department to expand the town's business tax base, thus relieving the residents' tax burden. The department would help to insure appropriate business development and prevent the retail sprawl and uncontrolled growth that now marks some SouthCoast towns. The proposal will be presented on May 21 at Mattapoisett's Annual Town Meeting.

The proposal for a Community Development Department results from extensive research by the Economic Development Study Committee (EDSC), a group of Mattapoisett citizens assembled by the Town Planning Board to address the economic development component of the town's 1999 Master Plan. They concluded that the best way to relieve the residents' tax burden is to increase the business tax base by creating a Community Development Department with a full-time, professional director accountable to the Board of Selectmen.

Taxes will continue to rise because of improvements the town is undertaking, such as school projects, proposed sewer and water improvements, and to meet other expenses, such as salary increases for town employees.

According to the EDSC, the town's residents will receive a number of benefits by supporting the proposed Community Development Department. In taxes, for instance, within five years the average household valued at \$200,000 will save more than \$500 per year if the Community Development Department is in operation.

Marion Master Plan

The effort to update the 26-year-old Master Plan for the Town of Marion is well underway and proceeding smoothly. In April 2000, Town Meeting authorized the Planning Board to undertake the effort to bring this important planning document up to date. Using the existing Master Plan as a base, this update is being accomplished by analyzing, integrating, refining and updating inputs received from the community over recent years. These data sources include, but are not limited to, the Growth Management Plan, the Open Space and Recreation Plan, the Marion Land Use Plan, and the document entitled Municipal Management for the Future. Now, the Planning Board is asking Marion residents to once again think about their town's future and share their thoughts and concerns with the board.

The Master Plan is designed to guide proactive planning within the community. Its intent is to assist local government decision-makers as they interpret the policies for the town by representing the will of the citizens and their vision of the future. According to Massachusetts General Law, "such plan shall be a statement through text, maps, illustrations or other forms of communication, that is designed to provide a basis for decision-making regarding the long-term physical development of the municipality."

The final update of the Master Plan is scheduled for later this year. If all goes according to plan, the Board will hold an informational meeting during the summer months to present the first draft of the updated plan and discuss it with the community. "It is important that we incorporate any last-minute thoughts and concerns that

Habitat Tool Sale

The Buzzards Bay Area Habitat for Humanity (BBAHFH) will be holding a used tool sale on May 5. The sale will be held in the Wal-Mart parking lot on Alden Road in Fairhaven from 8:00 am to 12:00 noon. Proceeds from the sale will go toward future construction projects in the SouthCoast Massachusetts area. During the next few weeks BBAHFH will be accepting donations of tools to include in their sale. Now is the time to clean out that cellar or garage and put your tools to work for a good cause. All donations are welcome: power or hand tools in good condition as well as some unused building supplies ... please no paint or appliances.

To donate tools or if you have questions, you can call Bob at 508-295-6612, Russ at 508-748-6662, or Paul at 508-758-9055. Donations can also be dropped off at the office of *The Wanderer* newspaper, 55 County Road (Route 6) in Mattapoisett on Monday, Thursday or Friday from 9:00 am to 3:00 pm. Remember your donations are tax-deductible!

With your help Buzzards Area Habitat for Humanity has raised funds to construct two homes in the SouthCoast area and is planning their next build for the fall of 2001.

MOVIE REVIEW

Rocky Road

By Rob Gonsalves
<http://robsreviews.cjb.net>

Driven. Starring Sylvester Stallone and Burt Reynolds. Directed by Renny Harlin. Running time: 115 minutes. MPAA rating: PG-13. At Cinema 12 at the North Dartmouth Mall and Flagship Cinemas in New Bedford.

The most frightening spectacle in *Driven* isn't the shot of a race car spiraling into the air, colliding head-on with another speeding racer, and flying what looks like several miles into a nearby pond. No, the *really* scary sight is how Burt Reynolds looks these days, or, at least, how he's been made to look in this movie. Playing a bitter, wheelchair-bound former racer who now owns a race franchise, Reynolds seems only a nip or tuck away from Gary Oldman in *Hannibal*; he looks like an animatronic puppet carved out of pink soap. Is this what happens to plastic-surgery patients as they get older? Reynolds' skin is stretched so taut you could bounce a quarter off it — you wonder how the man *eats*, for God's sake.

Sylvester Stallone, who appeared in his previous movie *Get Carter* alongside Mickey Rourke (have you seen *his* face lately?), may unconsciously be surrounding himself with these past-it Dorian Grays to make himself feel less freakish and outmoded. Stallone's fall has been unusually prolonged and painful, even by his standards. He keeps doing these movies in which he's washed up, or either fighting or mentoring a young Turk; out of respect for the early good movies he did, you want to sit him down and say, *Sly, babe, it's over*. You had your shot at a *Pulp Fiction* comeback (*Cop Land*), and it didn't work. Please take up poetry, carpentry — *anything* but this ongoing psychotherapy morosely played out on the screen.

If you harbor any residual affection for Stallone — the unspoiled, scruffy lump in the original *Rocky* talking to his turtle, or even his solid work in early-'80s thrillers like *Nighthawks* before he got all Ramboed up — a movie like *Driven* isn't fun even on a nasty ironic level; it's sad. It's essentially yet another Stallone fantasy in which he puts on a show of being humble, helping out younger characters, and then gets to prove there's still heroism in the old Sly after all. Stallone is Joe Tanto, a chewed-up former racer called out of retirement to help young-Turk racer Jimmy Bly (Kip Pardue), who's carrying on a heated competition with German hotshot Beau Brandenburg (Til Schweiger). There seems to be nobody else racing (though you see other cars on the track, as a backdrop); it's just Jimmy and Beau. And then Joe.

For a minute or two, I was almost with *Driven* as a shameless

throwback to Stallone's peak decade, the '80s. The Jimmy-Beau face-off is introduced in the sort of montage familiar from *Rocky III* and *IV* — spinning fake covers of *Sports Illustrated* or *Newsweek*, snippets of excitable sportscasters. But the entire *movie* is downloaded into our brains in this same zap-zap way; it's like *Any Given Sunday* with wheels. Director Renny Harlin and, I assume, many computer artists work overtime to smash the metal together; there are a fair number of shots that wouldn't have been possible without CGI, and aren't plausible *with* CGI.

Harlin gives the dialogue scenes the same helter-skelter treatment, only without computer enhancement, though, in the case of Gina Gershon as Joe's vicious ex-wife, I'm not so sure. It may be time for Gershon's tumescent legions of fans to admit she can't really act, not that they *care*. Stacy Edwards (*In the Company of Men*) stops by every now and then as a sportswriter, looking a bit disoriented. Fitting in more snugly is the model Estella Warren, as a bimbo who goes from Beau to Jimmy and back again; Estella manages not to embarrass herself (except in a lame joke when she's required to "ribbit" like a frog), though this doesn't necessarily mean she's ready for *Uncle Vanya* — it just means she may not ruin the upcoming *Planet of the Apes* after all, for those who were worried about that.

Generally, though, this is a boys' movie, with the understated, depressed-sounding Stallone reading his own script with the world-weariness of a fallen king far from love and glory. (I suppose it only helps his exhausted characterization that he plays most of his scenes opposite Kip Pardue, who is as exciting as cold cereal without a bowl.) In a bit of unplanned (or perhaps not) synergy, *Driven* arrives around the same time that the *Rocky* series returns to DVD; spin the 1976 original again, then turn to Stallone 25 years later, lecturing Jimmy about going back to when he enjoyed "pure victory" untainted by fame and pressure. Then again, you'd better not. *Driven* is saddening enough without augmentation.

Rochester Safety Awareness

New presentations and demonstrations have been added to Rochester Safety Awareness Day. The FREE community event, sponsored by the members of the Snipatuit Pond Estates Neighborhood Association, Inc., will be held at Memorial School, 16 Pine Street in Rochester, on Saturday, May 5 from 10:00 am to 2:00 pm.

New to the event are: (1) Roberta the Robot will demonstrate the correct rules of the road at the Bicycle Rodeo; (2) the State Police "Convincer" to demonstrate what happens when you don't wear a seatbelt; (3) State Police motorcycles will be on hand as well as McGruff the Crime Dog; (4) the American Canine instructor will demonstrate how to deal with aggressive dogs; (5) the Plymouth County Sheriff's Department will be present with their Mounted Patrol Team; (6) Rochester Police Department will have their new Bicycle Patrol Officers on their bikes; and (7) File of Life magnets with health identification cards will be available. Rochester emergency personnel have been notified to look for the File of Life magnets on refrigerator doors. They were given to Rochester senior citizens last year.

The members of two local Masonic lodges (Pythagorean in Marion and Social Harmony in Wareham) will be ready to take children through the ChiP Video Child Identification program. The Masons have processed over 40,000 children in Massachusetts through this critical identification program. Child will be

TOWN OF ROCHESTER PLANNING BOARD NOTICE OF PUBLIC HEARING

Notice is hereby given that the Rochester Planning Board will conduct a public hearing on Tuesday, May 22, 2001 at 8:00 p.m. at the Rochester Town Hall regarding proposed changes to the Rochester Zoning By-Laws as follows:

1. Amend Section III "Definitions" as follows: 1) Delete the two definitions of Buildable Area and replace with the following: Buildable Area: that portion of a lot which remains after providing for required yard-areas and further, which is not located within any wetland governed by either G.L. Chapter 131, Section 40 or the Rochester wetland protective by-law, as these may be in effect from time to time. 2) Replace the definition of Frontage with the following: Measured in one continuum at the minimum building setback line parallel to or concentric with the street line provided that the measurement at the street line is at least 75 percent of the requirement of the applicable district.

2. Amend Section IV "Industrial District" section B entitled "Lot Dimensions."

3. Amend Section IV "Industrial District" section C "Site Plan" subsection 6.

4. Amend Section VIII "Agricultural-Residential District" section B entitled "Lot Dimensions" by numbering the paragraphs.

5. Amend Section VIII "Agricultural-Residential District" section B entitled "Lot Dimensions" by changing the wording of the paragraph 2 beginning with the words "minimum building area in square feet..." to read as follows: "Minimum connected upland building area in square feet: 45,000."

6. Amend Section VIII "Agricultural-Residential District" section B entitled "Lot Dimensions" paragraph 4.

7. Amend Section VIII "Agricultural-Residential District" by adding a new paragraph 6 entitled "Back Lot Division by Special Permit."

8. Amend Section VIII "Agricultural-Residential District" section B entitled "Lot Dimensions" by adding wording after the table.

9. Amend Section VIII "Agricultural-Residential District" section D "Uses Permitted by Special Permit" by adding a new paragraph 12 entitled "Common Driveway."

10. Amend Section IX "General Zoning Regulations" section G entitled "Phased Development Limitation."

11. Add a driveway regulation to Section IX

Copies of the above amendments are on file at the Rochester Town Hall and may be reviewed Monday through Friday between the hours of 8:30 a.m. and 4:30 p.m.

Bradford Morse, Chairman

Rochester Planning Board 05/03, 05/10

SALOME'S STARS

ARIES (March 21 to April 19)
Problems begin to affect relationships, both personal and professional. Act now to shore up those weak foundations, before it all comes crashing down around you.

TAURUS (April 20 to May 20)
Take a break from all that hard work. There's nothing like some well-earned fun and games to charge up those Bovine batteries and send you back fully energized and ready to go.

GEMINI (May 21 to June 20)
Deception can sometimes affect perception. You should take a longer, deeper look at what you're being offered. Things might not be quite what you first thought they were.

CANCER: (June 21 to July 22) A friend's loyalty suddenly comes into question. But before you rush to judgment, listen to what he or she has to say. This could be an important learning lesson for you.

LEO (July 23 to August 22) The time has come for you to set things right. Your courage will help you meet the difficult challenge ahead. Others will be inspired by your actions and rally to support you.

VIRGO (August 23 to September 22) A stubborn insistence that your way is the only way to solve problems could make things worse than they are. Open your mind to suggestions from others.

LIBRA (September 23 to October 22) A close associate reveals a secret that could affect an upcoming decision. Rely on your natural instinct to weigh everything carefully to help you get

through this dilemma.
SCORPIO (October 23 to November 21) Congratulations! Your decision to take action to deal with a long-simmering situation in the workplace begins to pay off. A family member has some good news.

SAGITTARIUS (November 22 to December 21) You still need to persuade your partner that you're sincere in wanting to save this relationship. Remember: Performance speaks louder than promises.

CAPRICORN (December 22 to January 19) A disappointment in the workplace can be a blessing in disguise. Take another look at your goals and see if this is the path you really want to follow.

AQUARIUS (January 20 to February 18) Avoid winding up in the middle of an unpleasant family situation by reassuring your cantankerous kinfolk that you love them all, but that you won't take sides.

PISCES (February 19 to March 20) A successful workplace move begins to pay off with offers of new opportunities. Some might come with strings attached. Check them all carefully before deciding.

BORN THIS WEEK: You love to entertain. You appreciate fine food and elegant surroundings. You're happiest when you make other people feel good about themselves.

From the Revolutionary War through the whaling days, this grew into the busy waterfront village that Herman Melville sailed from before writing *Moby Dick*.

You can tour this historical area, which developed into Fair-Haven Village, when the Fairhaven Office of Tourism presents its walking tour of the "Twenty-Acre Purchase" on Saturday, May 12 at 2:00 pm. The tour starts at the beginning of the Phoenix Bike Trail, corner of Main and South Streets. Tourism Director Christopher J. Richard will serve as the guide.

Main Street, Middle Street, and Water Street will be the focus of the tour. Revolutionary privateers, the attack of the village in 1778, the whaling era, Union Wharf, and the childhood days of Standard Oil Company millionaire Henry Huttleston Rogers will be among the many topics discussed.

The walking tour lasts about an hour and a half. There is no charge. For more information about this tour, please call the Fairhaven Office of Tourism at 508-979-4085. The Fairhaven Visitors Center at 43 Center Street is open Monday, Tuesday, Thursday, Friday and Saturday from 8:30 am to 4:30 pm.

Rochester Police Scholarship

The Rochester Police Brotherhood would like to introduce two \$500 awards, for seniors at Old Rochester Regional High School. These awards will be given to two selected graduates of ORR that are continuing their education in college and majoring in criminal justice/law enforcement.

The Brotherhood members have continually increased their support for youth groups The Kennedy-Donovan Center, and other groups and organizations throughout the tri-town area. These awards are another example of the Brotherhood reaching into the communities with financial support.

Any graduating ORR senior from Rochester, Marion

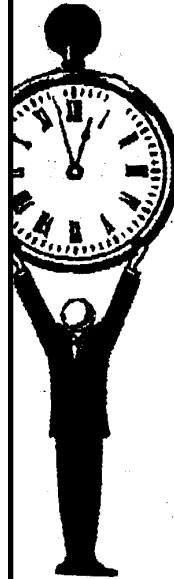

*If you are ready for greater success,
